

CAREER TALKS SERIES

Dr. Artal Moreno-Fortuny

Global Program Regulatory Manager
(Novartis, Basel)

"Different roles and opportunities beyond academic research"

Finding the first job outside academia can be challenging. The first hurdle is to understand what different options you have in front of you and what do these jobs entail. In this talk, I will give a non-exhaustive overview of different paths which one can take if leaving academic research. I will go into more detail in the role of Regulatory Affairs function in the context of big Pharma.
